AIDA, OMAN

DarGlobal's quintessential creation

One of DarGlobal's most prominent projects is Aida, a gated community and golfing destination, spanning more than 4.3 million square meters, 130 meters above the shores.

Only 25 minutes away from Muscat International Airport, Aida is perched on the hilltops of Yeti & Yenkit, a majestic masterplan comprised of seafront mansions, villas, premium condominiums, a champion golf course, members-only club, open green spaces, outdoor and recreational activities and exquisite dining options.

A marvel mega project, home to Trump International Hotel Aida, Oman. The most extraordinary 5-star complex on Earth.

An aerial photograph of a coastal development. On the left, the ocean with turquoise water and white waves meets a wide, sandy beach. To the right of the beach, a series of steep, rocky cliffs rise from the shore. The cliffs are dotted with greenery and small buildings. Further inland, a large, modern residential complex is visible, featuring numerous white buildings with flat roofs, arranged in a grid-like pattern. The complex is surrounded by landscaped areas with green lawns and trees. The overall scene depicts a luxurious coastal living environment.

The main structure is a large, cube-shaped building with a facade made of many small, glowing square panels, giving it a textured, golden appearance. It sits on a dark, flat roof.
